

The Clare Riesling

95 POINTS | SAM KIM

It's fabulously fruited and delicately expressed, showing Granny Smith apple, lime sorbet and white floral aromas on the nose, followed by a brilliantly linear palate offering terrific fruit purity combined with fine texture and racy acidity, finishing impressively long and engaging.

91 POINTS | JAMES HALLIDAY

Left on lees and stirred periodically over four-months following a cool fermentation, this is Clare to a T. A bit softer and textural than most, its chief virtue. Spa salts, lemon oil and citrus zest, careening along talcy acid rails, bright and juicy. This is light to mid-weighted, punchy and yet far from shrill or hard. A nice drink.

92 POINTS | JAMES HALLIDAY

From a single vineyard in Watervale, standard stainless steel vinification other than four months lees stirring to build texture and structure. Nice wine, it sits well in the mouth.
